

Nenagh Boat Club

Established 1883

Autumn Newsletter 2024

This year there were 163 memberships with the Club. There are no berths currently available. Any person with a boat wishing to join will have to go on the waiting list. Non-boat owning members are welcome.

The fishing competition at the end of the season was a success. The only fish caught on the day were caught by the junior competitors. Prizes were sponsored by Open Season.

Members are asked to update the Club Secretary with mobile numbers and email addresses to keep our records up to date. With the intention of "going green" and reducing our carbon footprint, we are moving to online and text correspondence, except for the notice of the AGM. Members are more than welcome to request a hard copy of the Newsletter, and it will be posted to them.

Winter berth. It is against the Club's rules for members to give their inside berth to anyone without permission from the Club through Bernard. Please ring Bernard or contact him by email, his details are below.

Paddy Mackey is collecting any old material and photographs about the Boat Club. If any member has Boat Club memorabilia or photographs, they would like to have added to the collection, please pass them to any of the Boat Club committee for Paddy Mackey's attention.

The **AGM** will be held in early spring of 2025, date to be determined. A notice will be circulated by post in the new year with details for the AGM.

If a member has any suggestions for improving our Club, please submit to the Secretary in writing or by email for consideration by the committee.
